

SCIENCE FACULTY RESEARCH DAY 2025

RESEARCH EXCELLENCE AT SCIENCE FACULTY

And sharing by FOS members on
Successful Applications for External Grants

15 MAY 2025 (THU)

9:15 AM - 1:30 PM

L1, Science Centre
The Chinese University of Hong Kong

(With tea refreshments provided, there will be a Lunch & Mingle session following the event)

Keynote Lecture

**Creating a Sustainable Supply Chain of
Chemicals and Fuels Using Carbon
Dioxide Towards Carbon Neutrality**

PROF. CHUNSHAN SONG

- Dean of Science, CUHK
- Wei Lun Professor of Chemistry
- Fellow of the American Chemical Society
- Fellow of the Royal Society of Chemistry

Programme	
Time	Event
9:15 - 9:30 am	Welcoming Remarks by Dean
9:30 - 10:15 am	Keynote Lecture: Creating a Sustainable Supply Chain of Chemicals and Fuels Using Carbon Dioxide Towards Carbon Neutrality Professor Chunshan SONG Dean of Science
10:15 - 11:15 am	Sharing on Successful Applications for RGC Grants Professor Dennis Kee Pui NG Department of Chemistry Professor Alex Tat Shing CHOW Department of Earth and Environmental Sciences Professor Xinhui LU Department of Physics
11:15 - 11:45 am	Tea Reception
11:45 - 12:45 pm	Sharing on Successful Applications for NSFC Grants Professor Hoi Ying WONG Department of Statistics Professor Renjun DUAN Department of Mathematics Professor Sijie CHEN School of Life Sciences
12:45 - 12:50 pm	Closing Remarks
12:50 - 1:30 pm	Lunch & Mingle
