ABOUT THE AWARD

The Faculty of Science at The Chinese University of Hong Kong has nurtured generations of graduates who made distinguished accomplishments and contributions in various areas since its establishment in 1963.

In celebration of the 60th anniversary of the Faculty of Science, the Science Faculty Distinguished Alumni Award was established to recognise the exceptional achievements of our alumni in different professional fields worldwide.

The Award for 2024 is now open for nominations.

SELECTION CRITERIA

The Award recognises **alumni for their exceptional accomplishment in the professional fields** such as the academia, the business sector, the industry, or government agencies, which brings distinction to themselves and honour to the University.

The Selection Committee, which is comprised of both internal and external members, will evaluate each nomination based on the following criteria:

Outstanding
professional
achievements and
innovation

Commitment to
excellence and
leadership

Contributions to
CUHK Science and
the University

Engagement
and impact on
society

Special recognition will also be given to up to two alumni who are under the age of 40 by the nomination deadline.

NOMINATION

The Award is open for nominations from all alumni and teaching units.

A valid nomination shall include a completed nomination form, the nominee's CV, and letters from the nominator and supporter. Self-nomination is also accepted and the nomination should still be seconded by a supporter.

The completed nomination should be submitted to the Science Faculty Office **by 12:00nn HKT of 28 October 2024 (Monday) via email or by post (according to the postmark date)**. Late submissions will not be accepted.
